

## Policies & Procedures:

All adults, including parents attending and/or supervising league games, shall be required to abide by reasonable standards of conduct. If anyone violates the code of conduct and/or gets asked to leave an event, by site administration or official, they may not be allowed to attend the next game until a meeting has occurred between the administration, athletic director and spectator.

Athletes who drop below a 2.0 or have one F will be placed on probation. Athletes who have more than one F will be removed from the team.

As of the North Valley Athletic Conference, coaches must refrain from discussing coaching decisions with spectators for at least twenty-four hours after the current game. Coaches do not promise equal playing time for all athletes. Skill and performance during practice are the basis for playing time.

For the 4<sup>th</sup> and 5<sup>th</sup> grade basketball program, players are guaranteed at least one quarter per game. However, this is contingent on attending practices, maintaining grades, attendance at school, and exhibiting proper behavior inside and outside the classroom. Coaches have the discretion to bench players based on the above qualifications.

Athletes are only allowed to miss two unexcused practices; once they miss a third they are removed from the team.

An unexcused practice means athlete is benched for the entire next game (if before a game).

Athletes are to conduct themselves at all times with the best sportsmanship while at other school campuses or at SLS.

The Athletic Director has the right to dismiss a student based on an egregious act or repeated behavioral issues inside and/or outside the classroom.

All athletes **must** wear professional attire on game days.

Athletes who quit in mid-season may not participate in the following sports' season.
